

**FOR IMMEDIATE RELEASE 07/04/15:** As reported in The Biggleswade Chronicle, when Biggleswade Scout Group had tents and equipment stolen recently, community minded members of the We Love Biggleswade Facebook Group rallied round and raised funds to help make up for their loss. The Group members have now voted for The Scouts to be the nominated charity for their current fund raising event. Sponsors are being sought for the 2016 We Love Biggleswade calendar.

The idea started when members admired the wildlife photographs posted in the group by local photographer Nigel Nurse. In response to requests to make prints available, he offered to produce a We Love Biggleswade Calendar and donate the proceeds to a charity of the group's choice. It is amazing to realise that all of the pictures were taken in and around Biggleswade. Many of us are not aware what is on our own doorstep!

The Group are looking for sponsors to fund the project either as individuals or as a company or organisation that will be credited on the calendar. Full details are available at [www.bigscalendar.co.uk](http://www.bigscalendar.co.uk) Provided that the target of £1000 is raised the calendars will be printed and distributed.
